

TAKING STUDENTS OFF CAMPUS? WE WANT TO SUPPORT YOU!

OUR INTENT IS NOT TO...

discourage or stop any student travel.

WHY

Our goal is to create a database of resources for faculty and staff to help protect themselves and the students that they are taking off campus.

HOW

Please identify the individual(s) in your area with the most knowledge of both sponsored and unsponsored student activities. This person will be asked to complete a survey, so we can get an idea of all the off-site student activities taking place at UCCS. Please send names to comply@uccs.edu as soon as possible.
