Meeting Minutes

- I. Meeting called to order at 4:35 pm. Members in attendance: Samantha Adrian, Deb Tuffield, Tre Wentling, Sandy Ho
- II. Minutes from November 5th approved.
- III. Old business:
 - a. Faculty Climate Survey: Discussion about keeping demographic data, whether we need to go through IRB. Sam will call IRB people to find out requirements. Would the LGBTQ+ resource center benefit from info gathered from the survey? Do we want the Staff PRIDE involved? Is there additional content info each group is interested in? Might be able to aggregate some of the data among groups. Goal is to use survey info to help guide committee as to direction of work (areas of need). Perhaps need a push to fac/staff about filling it out. Would be useful to look to other campus' climate surveys to ensure that our survey is appropriate.
- IV. New business:
 - a. Meet and greet with System PRIDE on Thursday.
 - b. Butterfly Project run by Jessica Lynn, ambassador for Kinsey Institute. Has given several talks at UCCS- personal, her story. Has been put on by Sociology Dept. Larger project wanted to include transgender people from local COS community about their experiences; left open about content details. Q&A more formal. Would like to pull in other areas around COS, Pueblo, etc. How will funding work? Newer project for Jessica Lynn, no existing models. Can introduce to WEST. Sam will contact Jessica to get more information about what to expect, how we can contribute.
- V. Adjourned at 5:25pm. Next meeting 3/4/19, 4:30 pm 304C EPC
