

Educational Policy and University Standards (EPUS) Committee Report, May 2021

EPUS met virtually via MSTeams on April 26, 2021.

Present: Andrea Hutchins (chair), Monique French, Norah Mazel, Scott Trimboli, Grant Clayton, Joe Craig and Laura Collins.

The committee reviewed the suggested revisions to the Student Academic Disruption Procedure found in the Academic Catalog and provided feedback on the revisions to the Dean of Students office.

The committee briefly reviewed the most recent draft of the Instructional, Research and Clinical (IRC) Faculty Promotion Policy along with the feedback provided other reviewers and the responses from the policy development committee. Following the meeting, the committee conducted an online vote to endorse the current draft of the policy (5 in favor, 2 opposed). The committee recommends the Faculty Assembly endorse the draft of the new policy.

The Disability Advisory Committee reviewed UCCS Policy 300-012 Disability Access and Accommodation in lieu of a review by EPUS. The committee's feedback to EPUS was that they thought the revised policy was fine and had no recommendations for further revisions.

The committee's next meeting will be during the fall semester. Day and time to be determined.
