

Educational Policy and University Standards (EPUS) Committee Report, September 2022

EPUS has not had its first meeting in Fall 2022. Our first meeting will be on 09/12/2022. Although EPUS normally does NOT meet during the summer, the committee did have a special meeting to discuss an urgent matter on 07/08/2022 via MS Teams. The following people have attended the meeting.

Attendees:

EPUS members: James Ma (Chair), Grant Clayton, Greg Oman, Lynn Philips, and Scott Trimboli.

Panelists: Matt Cox, Brett Fugate, Kelli Klebe, and Susan Taylor

Additional Voters after the Meeting: Norah Mazel

The committee reviewed System APS 8013, University of Colorado Guidelines for Undergraduate Admission. The 4 panelists introduced the background information and policy history. The 5 attending EPUS members had an internal discussion after the panelists were excused from the meeting. The entire meeting including the internal discussion afterwards was recorded, and the meeting recording was provided to all 8 EPUS members. The vote form was presented to all 8 EPUS members from 07/08/2022 to 07/13/2022.

By 07/13/2022, out of the 8 EPUS members, 6 have voted including Norah Mazel who reviewed the meeting recording and submitted her vote after the meeting. All 6 have voted for: "According to APS 8013 Section 2.E, for students previously admitted to UCCS under MAPS, WAIVE graduation requirements based on MAPS deficiencies."

The committee's next meeting is scheduled on Monday, September 12, from 3:00-4:30 p.m.
