

**EPUS Committee Report  
December 2019**

EPUS met on November 18 and discussed the proposed Grade Forgiveness Policy. The committee will be using the CU Denver policy as a template for the development of a UCCS policy for consideration by the Faculty Representative Assembly.

At the November Faculty Representative Assembly meeting, the committee asked the college representatives to discuss aspects of a grade forgiveness policy with their colleges. EPUS will be seeking that feedback from the representatives at the February Faculty Representative Assembly meeting.

The day/time of the next committee meeting has not yet been set, but will occur at the beginning of the spring semester.
