Look for an upcoming email with details and registration information.

Faculty Assembly Executive Committee established a Task Force to work on the recommendations to mitigate the impacts of COVID on faculty. This task force is made up of representation from FAWC, FMAC, IRC, PRIDE and each college. We are still in need of a faculty representative from College of Business. The goals of the Task Force will be to create priorities, guidance, and template documents for mitigating the long-term impact of COVID.
