## **Faculty Assembly Women's Committee Report**

**May 2021**

The FAWC mini-grant sub-committee met to evaluate the mini-grant submissions for the spring semester round. The committee selected 4 proposals to fund out of the numerous excellent submissions. Congratulations to the following Spring 2021 Mini-Grant recipients:

- Corey Drieth: "Female Emerging Artist Residency Series (FEARS): Lauren Rosenthal McManus"
- Edwardo Portillos and Jeffrey Montez de Oca: "Club Basketball in Colorado Springs: Shaping Success, Identity and Deviance"
- Sharon Young and Michelle Dorne: "Women's Beliefs about and Experiences with CAIM: Pilot Study"

On April 23<sup>rd</sup> Catherine Simmons and Leilani offered a workshop that was very well attended called "Career Decision Making for Women Tenure Track Faculty: Making Choices That Matter" via Zoom.

The Faculty Assembly Task Force on recommendations to mitigate the impacts of COVID on faculty met and discussed the goals, structure, and timeline of the TF. The second TF meeting is scheduled for May 10<sup>th</sup> from 11-12:30. This task force is made up of representation from FAWC, FMAC, IRC, PRIDE and each college except College of Business. We are still in need of a faculty representative from College of Business. If interested, please contact Karin Larkin at [klarkin@uccs.edu](mailto:klarkin@uccs.edu), Anna Kosloski [akoslosk@uccs.edu](mailto:akoslosk@uccs.edu), or Elizabeth Daniels [edaniels@uccs.edu](mailto:edaniels@uccs.edu). The goals of the Task Force will be to create priorities, guidance, and template documents for mitigating the long-term impact of COVID.
