Subject: [faculty-l] Faculty Assembly President's Report

Message from: Melissa Benton mbenton@uccs.edu

Dear Colleagues,

Our next Faculty Representative Assembly meeting is on Friday, December 7, 2018. The agenda has already been sent out by email. Please review it, and if you have questions or concerns that you want brought forward, contact your College representatives and let them know.

Here is an update on what is happening at the campus and system level.

Faculty Elections – As a reminder, Faculty Assembly elections will be held in the spring for the 2019-2020 academic year. Please be alert for the call for nominations that will come out on or about February 1, 2019. Your service in campus and system organizations ensures that faculty shared governance is maintained at all levels.

Faculty Service Survey – The survey results have been reviewed and faculty concerns have been forwarded to the Provost who we hope will share them with campus administration.

FCQ Taskforce – The new taskforce has been formed to identify and make recommendations regarding best practices for use of FCQ results for faculty merit evaluations and promotion and tenure. We hope to have the task force results available by the end of spring semester and will bring them to Faculty Assembly for review by your representatives.

I wish you all a happy and restful holiday season!

Please don't hesitate to contact me directly if you have questions or concerns.

Respectfully,

Melissa Benton

2018-20189 Faculty Assembly President
