Subject: [faculty-l] Faculty Assembly Election Results

Message from: Melissa Benton mbenton@uccs.edu

Dear Colleagues,

My sincerest thanks to all of you who took the opportunity to participate in the Faculty Assembly elections. We had a voting response rate of 37%. In particular, I want to thank all of the faculty members who agreed to run for positions, including those who were not elected this time, as well as those who helped seek nominees. We could not have had a successful election without you. Your contribution is critical to ensure we make the most of shared governance.

The list of elected officers and representatives is below.

All the best,

Melissa Benton
