Faculty Assembly Vice-President's Report March 2015

The second call for nominations for the upcoming elections went out on February 15th and nominations closed on March 1st. Robyn Marschke verified the eligibility of the candidates and her office created the ballot using Qualtrics.

A huge thank you to all of you who nominated candidates, including yourselves. The election will be conducted March 16th-20th. Please watch your email and vote! Representatives, please remind your college faculty about the election and encourage them to vote.

In the next several weeks, I will be working on filling the committee slots that will become vacant. If your 3 year term is ending, I will be contacting you soon! Please consider if you wish to continue to serve and if not, please be thinking about someone you can recommend from your college to replace you.

Thanks!!

Monique French
