Subject: [faculty-l] Faculty Assembly Vice-Presidents Report March 2016

Message from: Barbara Prinari bprinari@uccs.edu

Dear Faculty,

here is my Faculty Assembly report for March.

1. **FA Elections.** The second call for nominations for the upcoming elections went out on February 15th and nominations closed on February 29th. A huge thank you to all of you who nominated candidates, including yourselves!

Robyn Marschke verified the eligibility of the candidates and her office created the ballot using Qualtrics.

The **elections** will be conducted **March 14th-18th**. **Please** watch your email and **vote!** Representatives, please remind your college faculty about the election and encourage them to vote.

2. **FA committees.** We have already started working on filling the committee slots that will become vacant in July, and only two positions are still to be filled, for the following committees:

- (i) Misconduct in Research, Scholarship and Creative Work committee (from LAS)
- (ii) System-level budget committee (from any college)

Please contact me if you wish to serve in one of these committees, or if you can recommend someone from your college willing to serve.

3. **FA service award.** Please join us in congratulating Mark Malone (College of Education) who has been selected as the recipient of the 2016 Faculty Assembly Service Award. Mark's service for this campus and for the CU system as a whole has been and continues to be exemplary, and it is hard to imagine anyone more deserving of this award. I would like to invite you to help us congratulate Mark by attending the campus award ceremony on Wednesday, April 27, in Berger Hall from 4-6pm.
4. **Conversations at Clydes'.** We will continue hosting these informal conversations throughout the semester. Our next appointment is scheduled for Wed, March 30th, from 4:30-6:30 PM, and it will be hosted by Bitá Rivas and myself. Please join us for a chance to exchange thoughts, ideas, concerns and more in an informal setting.

Sincerely,

Barbara Prinari, PhD
Associate Professor of Mathematics
Faculty Assembly President Elect, 2015-2016
