Faculty Assembly Vice-President's Report February 2015

Greetings Faculty! Welcome to Spring semester and our Faculty Assembly Election season!!

The call for nominations for upcoming Faculty Assembly elections was posted to the faculty list on February 1st. A reminder will go out on February 15th. Nominations will close at 5:00 PM on March 1st.

We need to fill the positions of President elect, Secretary, System-wide Faculty Council Representative, and college, school, and library faculty assembly representatives. Anyone with a minimum of 50% appointment can serve.

We still need nominees for every position! Representatives, please identify prospective nominees in your college for any of these positions and nominate them. The representative role is particularly valuable for junior faculty, especially those approaching comprehensive or tenure review. This is an opportunity for them to connect and network with colleagues across campus. Representatives, talk to the junior faculty in your college about the importance of faculty governance and encourage them to participate. More senior faculty should consider serving as secretary, vice president, or system council representative. These roles are vital to faculty governance and in having our voices heard.

It is critical that we, as a faculty, do not lose our voice on campus and at system-level. Please contact me via email at mfrench3@uccs.edu with any questions or to nominate someone or yourself for any of the positions.

Thank you in advance for your help in filling these vital roles!

Monique French
