Pride faculty committee would like to co-sponsor with FMAC a transgender issues discussion possibly in the spring.

**Black Lives Matter:**

Lynda Dickson and Stephany are developing a class for spring on this theme. Stephany suggested that FMAC might be able to contribute toward supporting a speaker in connection with the class.

**Grant recipients:**

MingMing suggested that we might have an event with previous FMAC grant recipients asking them to give a brief presentation about their research. We could invite all faculty. The committee agreed to consider this for the spring. This could possibly be incorporated into the diversity summit.

Stephany will also send out a reminder to last year's grant recipients asking for a report to the committee.
