Subject: [faculty-l] CORRECTED Faculty Assembly Ballot Results

Message from: Mary Coussons-Read mcousson@uccs.edu

Colleagues,

My sincerest thanks to all of you who took the time to participate in the recent UCCS Faculty Assembly elections. We had a voting response rate of 45%. Although the two constitutional amendments were both supported by a large majority of those voting, they did not pass because they did not receive the required positive vote of 2/3 of the whole UCCS faculty, so we are unable to implement them this year. Regarding the elections, a big thank you goes out to all who agreed to run for positions, including those who were not elected this time, and a special note of appreciation goes to those who sought and made nominations. The success of this and every election depends on your participation; your contributions are critical to ensure that we make the most of shared governance. The list of elected officers and representatives is below.

All the best,

Mary Coussons-Read
