**Subject:** [faculty-l] NTTf/IRC Committee Meeting Report

Message from:

Scott VanNess - svanness@uccs.edu

Hello Colleagues

The NTTf/IRC Committee did not have a formal committee meeting during the month of January. However, members of the committee have been working on a separate committee addressing the 3rd promotion tier for IRC faculty and multi-year contracts for IRC faculty.

The formal name change from NTTf to IRC will be addressed at the upcoming Faculty Assembly. Please contact me if you have any questions. Thanks.
