**Subject:** [faculty-l] Minutes for December Sustainability Committee Meeting

Message from:  
Joel Tonyan - jtonyan@uccs.edu

Hi all,

I hope the end of the semester is going well for everyone. The Sustainability Committee met with Kent Marsh, AVC for Campus Planning & Facilities Management, to discuss the job description and search committee for the Director of Sustainability position during our December meeting. Consequently, we don't have any minutes to share for December.

Thanks,

Joel
