

TEACHING WITH TECHNOLOGY COMMITTEE  
Meeting – 12:15 Thursday, October 3, 2019  
EPC 304C

## Minutes

Me, Martin, Regina, Susan, Sherry, David

1. Roger Martinez (maybe)
2. CDHE OER grant – round 2
  - a. More awareness and adoption, additional focus on creation of OER
  - b. Target high enrollment/DFW/cost courses, concurrent enrollment courses
  - c. Proposal due 11/1
3. Canvas
  - a. Near-real-time enrollments – now running for Sp20
  - b. Changes to rich text editor – in beta; October release
  - c. Canvas Support – no support for IE
  - d. OS, browser updates critical
  - e. EvaluationKit – COB, COE, EAS, SPA
  - f. DesignPlus (Cidi Labs) – Boulder has piloted/adopted; hoping to get Denver on board
  - g. GoReact – demo at GIFT Exchange 1:40-2:55 on October 17 in FRC
  - h. Working on tool to create CSV to upload to grade roster
4. Black Belt 24/7 Help Desk up and running
5. UCCS Teaching & Learning Conference (formerly Mountain Lion Teaching & Learning Day) – January 15-16
6. Online initiative
  - a. According to the article in the 10/3/19 [CUConnections](#):
    - i. CU has released an RFP for external firms to assess our online capabilities and opportunities
    - ii. Faculty Council has expressed frustration about faculty not being included in this process from the start
    - iii. As leadership nears a decision on a successful RFP, Faculty Council was invited to provide input; chairs of campus-based Faculty Assemblies are expected to provide names to leadership next week
  - b. UCCS still going forward with proposals to demonstrate our preparedness, experience, and enthusiasm, but funding is uncertain
  - c. The Teaching with Technology Committee expressed its deep concern about the “vo-tech” focus of the President’s initiative

Next Meeting – 12:15 Thursday, November 7, 2019
