P*urpose*

We make our school an inclusive learning environment where all students can succeed. We use this success to drive positive change in ourselves and our communities.

R*espect*

We value each other's unique qualities and are able to discuss powerful topics with kindness and an open mind.

I*ntegrity*

We keep our commitments and are honest with everyone we meet. Our character is of the highest quality.

D*etermination*

We reach higher through our education, relationships, and involvement with campus life.

E*xcellence*

We take responsibility for our thoughts, words, and actions. We continue to improve through both failure and success.

As UCCS students we strive to embody this creed.
