Subject: [faculty-l] Faculty Assembly Vice-President's Report - February 2016

Message from: Barbara Prinari bprinari@uccs.edu

Hi Everyone.

I'd like to take the chance to officially introduce myself as the 2015-2016 Faculty Assembly President Elect. I am looking forward to a productive, valuable experience working with and for all of you and representing our Faculty.

Below is my February report, with a couple of important issues I'd like to bring to your attention.

1. **Elections!** It is time to start thinking about your service load for 2016-2017 and consider running for a faculty governance position! We will be electing: (i) representatives from each college; (ii) secretary; (iii) president; (iv) vice president/president elect; and (v) a faculty council representative. **Please consider serving in these important roles!** As you might have noticed, the official call for nominations was sent out on February 1st, and nominations (including self-nominations) will be accepted until Monday, February 29th by 5pm. You can send your nominations/self-nominations directly to me (bprinari@uccs.edu). Please be sure to verify with your nominee that he/she is willing to run for election. I'd like in particular to ask our college representatives to talk to their colleagues, and encourage them to get involved in faculty governance.!

Feel free to ask me any questions, I'll be happy to assist.

2. **Conversations at Clyde's.** We are planning to continue organizing these monthly get-togethers throughout the semester. The next conversation is scheduled for Thursday, February 18th, from 4-6 PM, and it will be hosted by Valerie Brodar and myself. Please come and join us for this faculty only event where we can connect in an informal environment. An email reminder will be sent out the week of the event.

Sincerely,

Barbara Prinari, PhD
Associate Professor of Mathematics
Faculty Assembly President Elect, 2015-2016
